

“Her life the altar, herself the sacrifice.” Savitri-473

“As those who have lived long made one in love” Savitri-292

“A new consciousness is at work upon earth to prepare the coming of the superhuman being. Open yourselves to this consciousness if you aspire to serve the Divine Work. To come into contact with this new consciousness, the essential condition is no longer to have any desires and to be wholly sincere.”

“But standing on Eternity’s luminous brink
I have discovered that the world was He;
I have met Spirit with spirit, Self with self,
But I have loved too the body of my God.” Savitri-649

“The culmination of the soul’s constant touch with the Supreme is that self-giving which we call surrender to the divine Will and immergence of the separated ego in the One who is all. (1) A vast universality of soul and (2) an intense unity with all is the base and fixed condition of the supramental consciousness and spiritual life. In that universality and unity alone can we find the supreme law of the divine manifestation in the life of the embodied spirit; in that alone can we discover the supreme motion and right play of our individual nature. In that alone can all these lower discords resolve themselves into a victorious harmony of the true relations between manifested beings who are portions of the one Godhead and children of one universal Mother.” SRI AUROBINDO/ CWSA/23/THE SYNTHESIS OF YOGA 205

“Earth saw my struggle, heaven my victory;” Savitri-638

“O soul, my soul, we have created Heaven,
Within we have found the kingdom here of God,
His fortress built in a loud ignorant world.”
Savitri-531

“The spirit rises mightier by defeat;
Its godlike wings grow wider with each fall.
Its splendid failures sum to victory.” Savitri-
458

“Until life finds him pain can never end.
Calm is self’s victory overcoming fate.
Bear; thou shalt find at last thy road to bliss.” Savitri-453

“Escape cannot uplift the abandoned race
Or bring to it victory and the reign of God.
A greater power must come, a larger light.”
Savitri-448

“A scout of victory in a vigil tower,
Her aspiration called high destiny down;” Savitri-358

“No victory she admits of Death or Fate.” Savitri-354

“And from the naked Spirit’s victory
A new and marvellous creation rose.” Savitri-323

“Attempt, not victory, was the charm of life.” Savitri-249

“Only by suffering life grew colourful;” Savitri-228

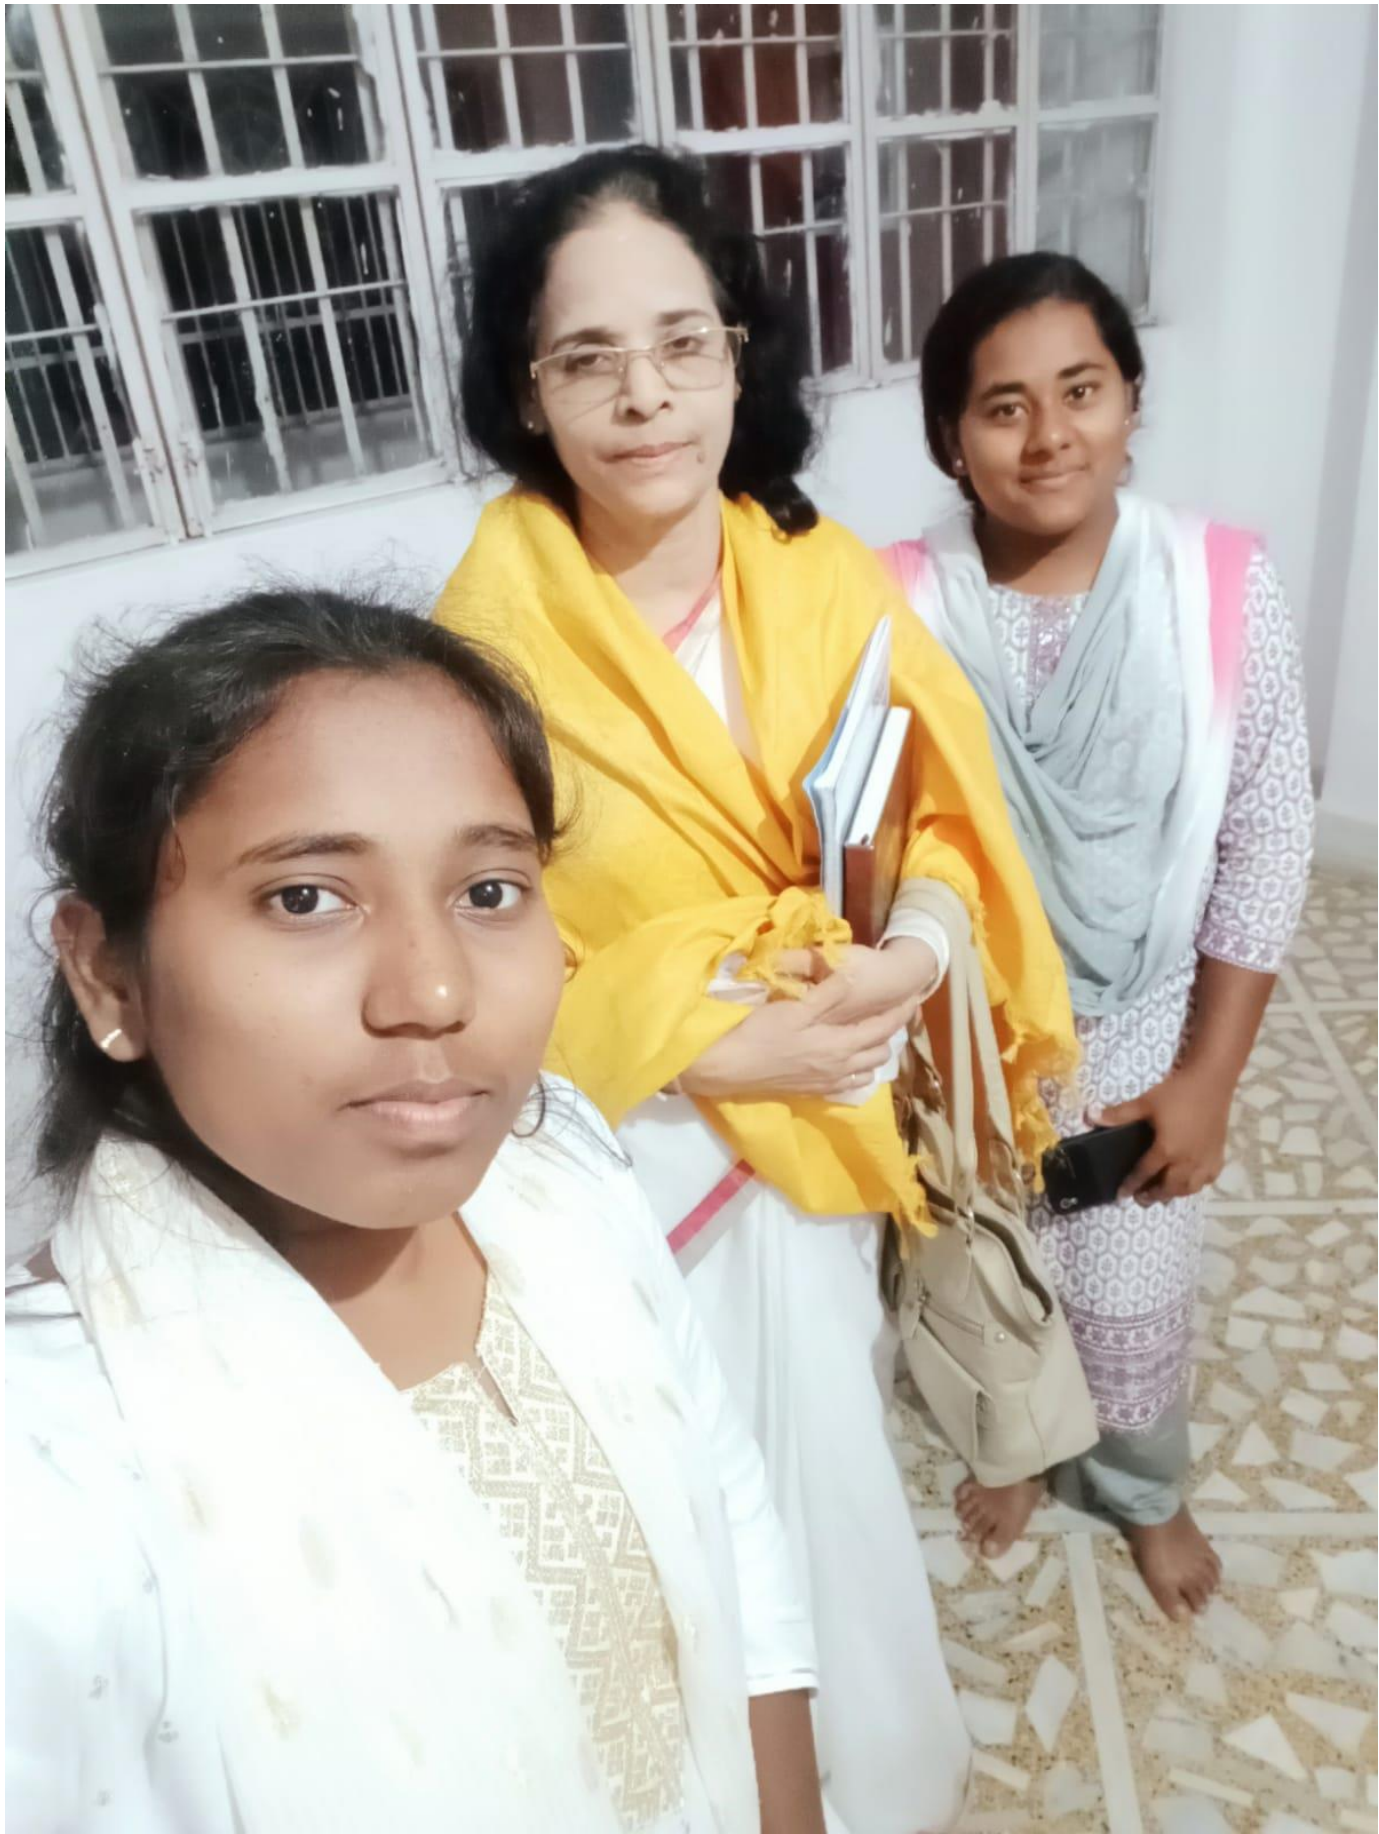

“ଚୈତ୍ୟ ସଭାର ସନ୍ଧାନୀ ଅଭୀପ୍ସୁଙ୍କ ନିମନ୍ତେ ବିଶ୍ରାମ ଏବଂ ପାର୍ଯ୍ୟବ ସୁଖ ନିଷିଦ୍ଧା” ସାବିତ୍ରୀ-୩୩୯

“The manifestation of the Supramental upon earth is no more a promise but a living fact, a reality...It is at work here, and one day will come when the most blind, the most unconscious, even the most unwilling shall be obliged to recognise it.”
